

April 16 - Thursday - ANATOMY ROOM		
"ANATOMY WORKSHOP"		
Chair: Dr. Pascale George (France) & Ekaterina Zakharchenko (Russia)		
9:30 AM to 12:30 PM		
Faculty Name	Lecture Title	Time
Arnaud Wattiez	Tips and tricks in anatomical dissection	15 minutes
Iman Alkiumi	Navigating the pelvis by landmarks	15 minutes
Emilie Faller	Pelvic spaces: how to enter the space	15 minutes
Benoit Rabischong	How to locate the nerves in the anatomical field	15 minutes
Anton Matveev	Anatomy of the paracervix	15 minutes
Gabriele Centini	Anatomy enhanced by ICG	15 minutes
? Ramon Rovira	Retroperitoneal approach: anatomy form the right side	15 minutes
Hélder Ferreira	Ureteral Anatomy and Surgical Landmarks: A Laparoscopic and Robotic Approach	15 minutes
Razan Nasir Shaima Alsuwaidi	Anatomical Quizz: Recognizing anatomical landmarks in difficult surgical cases	30 minutes
All Faculties	Q&A Discussions	30 minutes

WS3
w/ Lectures and Hands-on

"Hysteroscopy Workshop"

Chair:
Pr. Grigoris Grimbizis (Greece)
Dr. Fatima Faustino (Portugal)

Faculties: 13:30 PM to 16:30 PM
Dr. Rudi Campo (Belgium)
Dr. Sonia Barata (Portugal)
Dr. Joana Faria (Portugal)
Dr. Alberto Vazquez (Spain)
Dr. Fernanda Asêncio (Brazil)
Dr. Linda Tebache (Belgium)

(180')

April 16 - Thursday - ROBOTIC ROOM		
"ROBOTIC WORKSHOP"		
Chair: Dr. Gabriele Centini (Italy) & Dr. Gaby Moawad (USA)		
9:30 AM to 12:30 PM		
Faculty Name	Lecture Title	Time
Susana Maia	Tip and tricks on docking	15 minutes
TBD	Robotic suturing and dissection: is it so easy?	15 minutes
Gaby Moawad	Tips and tricks for robotic myomectomy	15 minutes
Hélder Ferreira	Robotic assisted complex hysterectomy	15 minutes
Gabriele Centini	Robotic sacropexy:where are we now	15 minutes
TBD	Robotic alternatives for prolapse repair	15 minutes
Gaby Moawad	Robotic in Endometriosis	15 minutes
Cláudia Andrade	Robotic application in oncology	15 minutes
Ramon Rovira	Mult quadrant approach and lumboaortic lymphadenectomy	15 minutes
All Faculties	Q&A Discussions	30 Minutes

April 16 - Thursday - Workshop Room		
"INTERACTIVE CASE-BASED WORKSHOP"		
Chronic Pelvic Pain after surgery: Case-Based Insights into Management, Prevention, and Risk Mitigation		
Each topic is introduced with a real clinical case, followed by group discussion, audience polling, and expert commentary. Sessions conclude with key messages and preventive strategies.		
Chair: Dr. Antoine Watrelot (France) & Dr. Susana Maia (Portugal)		
13:30 PM to 16:30 PM		
Faculty Name	Lecture Title	Time
Basma/ TBD	Complications After Ligamentopexy: Prevention and Management Strategies	30 minutes
TBD/ Revaz Botchorichvili	Post-Mesh Pain in POP Surgery: Identifying the Cause, Choosing the Path	30 minutes
TBD/ TBD	Ovarian Remnant Syndrome: When Pain Persists After Oophorectomy	30 minutes
Anton Matvev/ Pantelis Trompoukis	Post-Myomectomy Bleeding and Collections: When to Watch, When to Act?	30 minutes
TBD/ TBD	Endometriosis: when surgery worsens the symptoms	30 minutes
TBD / Antoine Watrelot	Avoiding Litigation in Chronic Pelvic Pain: Lessons from Surgical Cases	30 minutes
Cristina Redondo/ Susana Maia	Coping with Surgical Complications: Communication and Emotional Resilience	30 minutes
All Faculties	Q&A Discussions	30 Minutes

April 17 - Friday - Main Ballroom		
PLENARY 1		
"Understanding Pelvic Pain: pain is not in your head is in your brain"		
Chair:		
Dr. Karolina Afors (UK), Pr. Helder Ferreira (Portugal), Dr. Susana Maia (Portugal)		
9:00 AM to 10:30 AM		
Faculty Name	Lecture Title	Duration
Arnaud Wattiez	Pain is not in your head is in your brain	15 Minutes
Benoit Rabischong	Neurological pathways of different pain's patterns	15 Minutes
Dalila Veiga	Mapping the causes of pelvic pain	15 Minutes
Karolina Afors	The perception of pain: what factors play a role?	15 Minutes
All Faculties	Q&A Discussions	30 Minutes

April 17 - Friday - Main Ballroom		
PLENARY 2		
Myomas and Pelvic Pain: From Diagnostic Challenges to Personalized Management		
Chair:		
Pr. Pantelis Trompoukis (Greece), Dr. Joana Faria (Portugal), Dr. Lucie Schwartz (France)		
11:00 AM to 12:30 PM		
Faculty Name	Lecture Title	Duration
Bedaya Amro	Can fibroids be painful?	15 minutes
Rouba Murtada	MRI vs US for fibroids: do we have an answer?	15 minutes
Fernanda Asencio	Intracavitary myomas: when and how to treat them	15 minutes
Nassir Habib	Shrinking the myomas: medical therapy or ablation	15 minutes
	<i>Best Selected Abstract</i>	10 Minutes
All Faculties	Q&A Discussions	20 Minutes

April 17 - Friday - Main Ballroom		
LIVE SURGERY		
Chair: Dr. Ramon Rovira (Spain), Pr. Charles Miller & Dr. Joao Alves (Portugal)		
13:30 PM to 15:00 PM		
Surgeon Name	Case Title	Duration
Filipa Osorio	tbc	40 Minutes
Helder Ferreira	tbc	40 Minutes
All Faculties	Q&A Discussions	10 Minutes

JUNE 21 - Friday - Main Ballroom		
WINNERS CORNER 1 & 2		
Surgeons for Live Surgery:		
Pr. Pistofidis Georgios (Greece)		
Dr. Stylianos Kogiorgos (Greece) & Dr. Alexandros Lazarides (Greece)		
Winners Corner Chair:		
Pr. Pantelis Trompoukis (Greece), Dr. Basma Almaamari (UAE), Dr. Joao Alves (Portugal), Dr. Istvan Argay (Hungary), Dr. Cristina Redondo (Spain)		
15:00 PM to 18:00 PM		

April 17 - Friday - Main Ballroom		
PLENARY 3		
Adenomyosis Unmasked: Diagnostic Challenges and Pain Pathways		
Chair: Dr. Antonio Setubal (Portugal), Pr. Keith Isaacson (USA), Dr. Hanan Gharbi (UAE)		
9:00 AM to 10:30 AM		
Faculty Name	Lecture Title	Duration
Gregoris Grimbizis	How Adenomyosis phenotypes correlate with symptoms?	15 Minutes
Sónia Barata	Medical therapy: do we have a global strategy?	15 Minutes
Hanan Garbi	The role of surgery: what to expect?	15 Minutes
Alberto Vazquez	Decoding Adenomyosis in Reproduction	15 Minutes
	<i>Best Selected Abstract</i>	10 Minutes
All Faculties	Q&A Discussions	20 Minutes

April 17 - Friday - Main Ballroom		
PLENARY 4		
Personifying Emotions to Portray Invisible Pain		
Chair: Dr. Antoine Watrelot (France) & Dr. Zeinab Hakim (UAE)		
17:00 PM to 18:00 PM		
Faculty Name	Lecture Title	Duration
	A theater simulation will explore how emotional intelligence may impact the Pelvic Pain Diagnosis and Management. The emotion characters (Joy, Sadness, Anger, Fear, Disgust, anxiety, shy, ennuit) will vividly portray the emotional impact of living with undiagnosed chronic pelvic pain, going from initial optimism to growing despair, frustration, anxiety, and shame.	45 Minutes
Mulher Endo	Living with Pelvic Pain: A Patient’s Journey and Voice?	15 Minutes
All Faculties	Q&A Discussions	5 Minutes

April 18 - Saturday - Main Ballroom		
PLENARY 5		
Endometriosis Related Pain		
Chair: Pr. Arnaud Wattiez (UAE), Pr. Ceana Nezhat (USA), Dr. Jesus Castellano (Venezuela)		
9:00 AM to 10:30 AM		
Faculty Name	Lecture Title	Duration
Fillipa Osório	Timing is Everything: Surgical Indications and When to Intervene	15 Minutes
Hélder Ferreira	The Surgical Goal: Achieving Complete and Effective Excision	15 Minutes
Eiman Al Zahmi	Location Matters: Tailoring Surgical Expectations to type of symptoms and lesion Sites	15 Minutes
Gabriele Centini	The Pain That Persists: Managing Residual or Centralized Pain After Surgery	15 Minutes
	<i>Best Selected Abstract</i>	10 Minutes
All Faculties	Q&A Discussions	20 Minutes

April 18 - Saturday - Main Ballroom		
PLENARY 6		
Beyond the Pelvis: Systemic Influences and Strategies in Pelvic Pain Management		
Chair: Dr. Gabriele Centinir (Italy), Dr. Sonia Barata (Portugal) and Dr. Emilie Faller (France)		
11:00 AM to 12:30 PM		
Faculty Name	Lecture Title	Duration
Joana Faria	Immuno-system comorbidities: how to rule them out	15 Minutes
Cláudio Rebelo	The role of microbiota in the pelvis wellbeing	15 Minutes
Nour Abo Sada	Postoperative pain: normal or abnormal?	15 Minutes
João Alves	Are we feeling the pain the same way?	15 Minutes
	<i>Best Selected Abstract</i>	10 Minutes
All Faculties	Q&A Discussions	20 Minutes

April 18 - Saturday - Main Ballroom		
KEYNOTE LECTURE 2		
Chair: Dr. Rudi Campo (Belgium) & Dr. Fatima Faustino (Portugal)		
13:30 PM to 14:00 PM		
Faculty Name	Lecture Title	Duration
Daniel Pereira da Silva	Targeting Pelvic Pain: The New Landscape of Medical Management	30 Minutes

April 18 - Saturday - Main Ballroom		
"JOINT SESSION WITH ENTOG SOCIETY"		
Chair: Dr. Brice Rodriguez (UK) & Dr. Sofia Tsiapakidou (Greece)		
14:00 PM to 15:30 PM		
Faculty Name	Lecture Title	Duration
TBD	Evaluating Chronic Pelvic Pain Education in OB-GYN Residency	15 Minutes
Arnaud Wattiez, Juan Gillibert, Ewa Minerowicz	Surgery in Chronic Pelvic Pain: Evidence, Overuse, and Controversies (round table)	30 Minutes
Zeinab Hakim	Timing and Techniques in Pelvic Congestion Syndrome Treatment: Expert Perspectives	15 Minutes
Revaz Botchorichvili	Navigating Postoperative Mesh Pain: Prevention and Management Strategies	15 Minutes
All Faculties	Q&A Discussions	15 Minutes
